Dear Contributor:

The Christian Counseling & Family Life Center is a nonprofit organization that provides a professional, compassionate, and peaceful environment to meet the emotional, spiritual and mental health needs of individuals, couples and families (children, teens, and adults) to overcome crisis and to achieve their fullest potential.

The Christian Counseling & Family Life Center is a non-profit, non-denominational mental health agency that provides a high level of professional psychotherapy and medication management to individuals of all socio-economic means.

We welcome individuals of all religious affiliations, as well as, those without. We serve a diverse populations regardless of age, background, income, and ethnicity which encompasses children, pre-teen/adolescents, adults, couples and families.

Our uniqueness lies primarily:

- In our ability to provide individualized attention; especially during a time of crisis.
- A staff psychiatrist and APRNs who are available for consultation or specific needs.
- A staff that is made up of Master level clinicians.
- As a faith based organization we have the ability to draw upon and support an individual's faith journey, if they so desire.

On behalf of the entire organization I would like to thank you in advance for your support.

Sincerely
Marcella Rende, MA, LMFT
